Gathering - Leading Decisions Makers

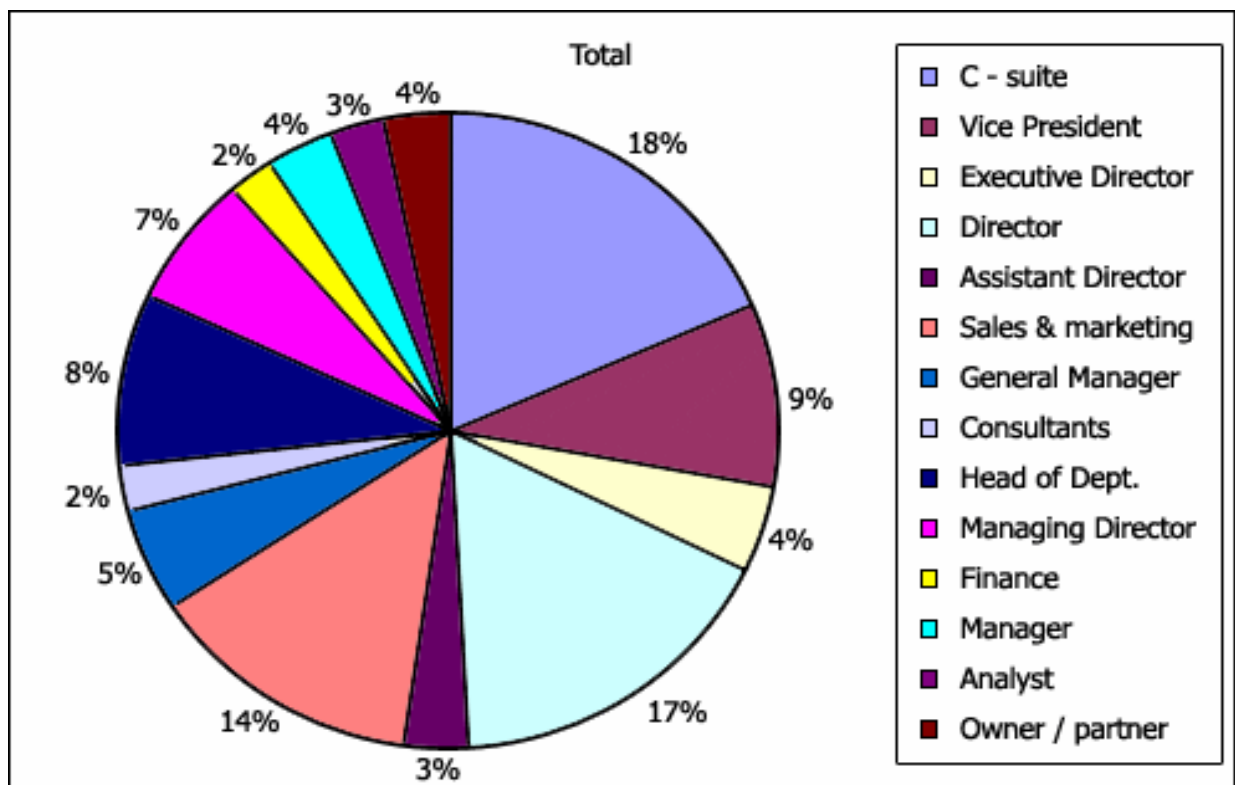

FT Global Conferences & Events have a unique record of gathering all the leading decision makers in their field, together in one place. Over 35% of our audiences are C-suite executives. So it isn't just excellent programmes that draw delegates, they come to network with fellow business leaders, decision makers and strategists.

Delivering - Big Picture

FT Global Conferences & Events offer an accurate and unbiased overview of the world markets as well as an insight into future opportunities. Whether it is evaluating Commercial Property in Dubai, debating 'The Future of Energy' in Frankfurt, discovering Mobile Business in California, or partnering with 'Southern Multinationals' in Mumbai, FT Global Conferences & Events are renowned for their agenda-setting programmes and getting to the bottom of business analysis and views within the FT newspaper.
